

BROUGHT TO YOU BY GERATEC: SUPPORT AT HOME

QUALITY OF LIFE IN THE COMFORT OF YOUR HOME

GERATEC supports older people to live independently and function optimally in their community in order to maintain their best quality of life.

JOIN IN THE CONVERSATION!

Rayne Stroebel (Managing Director of GERATEC) shares more about the global movement that is 'Ageing in Place' and why it is so relevant in South Africa. He will also be chatting with industry role players who are helping to promote Support at Home with GERATEC.

Are you worried about an older person who lives alone?

Do you need peace of mind that a loved one is well cared for?

Are you overwhelmed and unsure about how to look after them?

Do you need expert advice for the road ahead?

Are you unsure of whether the person can still look after themselves?

Are you noticing that your ageing loved one is becoming increasingly frail?
