

BROUGHT TO YOU BY GERATEC: SUPPORT AT HOME

QUALITY OF LIFE
IN THE COMFORT OF YOUR HOME

GERATEC supports older people to live independently and function optimally in their community in order to maintain their best quality of life.

OUR OFFER CAN INCLUDE A HOST OF SUPPORT SYSTEMS FOR EXAMPLE

01 A full assessment and screening of support needs

02 Managing, supporting and training your care companion

03 Monitor medication use and ensure proper nutrition

04 Give monthly feedback on progress

- Are you worried about an older person who lives alone?
- Do you need peace of mind that a loved one is well cared for?
- Are you overwhelmed and unsure about how to look after them?
- Do you need expert advice for the road ahead?
- Do you need to know if the person can still look after themselves?
- Are you noticing that your ageing loved one is becoming increasingly frail?
