

# GERALEARN

## Webinars 2022

At GERATEC, relationship directed support is at the core of everything we do. We believe that it is within the interdependence of people that human beings can learn, grow, and flourish.

GERALEARN offers education and training not just to our own employees, but also to others in the industry. As an industry leader, with 25 years of experience, it is our privilege to share our knowledge and experience.

**GERATEC is proud to announce the following FREE webinars for 2022:**
